The registrant is currently finalizing its financial statements for inclusion in the registrant's Annual Report on Form 10-K for the year ended December 31, 2005 and the assessment of its internal controls over financial reporting as of December 31, 2005 contemplated by Section 404 of the Sarbanes-Oxley Act of 2002, but has experienced delays in completing these tasks. These delays have resulted primarily from the complexity and extent of work required to perform the Section 404 assessment, particularly in view of the related standards for audits of internal controls over financial reporting mandated by the Public Accounting Oversight Board.
