Non-GAAP Financial Results

Clean Harbors reports Adjusted EBITDA, adjusted net income (loss) and adjusted earnings (loss) per share, which are non-GAAP financial measures, as a complement to the results provided in accordance with accounting principles generally accepted in the United States (GAAP). The Company believes that such information provides an additional measurement of its performance. The Company defines Adjusted EBITDA in accordance with its outstanding loan agreements. A reconciliation of these non-GAAP measures reported above to the most directly comparable GAAP results can be found on the Company's website and in the Company's financial results press release for the quarter ended December 31, 2018.

Safe Harbor Statement

Any statements contained herein that are not historical facts are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are generally identifiable by use of the words "believes," "expects," "intends," "anticipates," "plans to," "estimates," "projects," or similar expressions. Such statements may include, but are not limited to, statements about the Company's objectives and other statements that are not historical facts.
